

**YOUNG WOMEN
WITH A VISION**
THE FUTURE IS HERE

Violet Chifunda is a journalist by profession, dedicated to amplifying voices and advocating for issues related to sexual reproductive health and rights. As a Program Coordinator for the youth-led organization, Young Women with a Vision (YWWAV), Violet channels her passion for community-driven change into innovative initiatives aimed at empowering young people.

ABOUT YOUNG WOMEN WITH A VISION

- ▶ Young Women with a Vision is A youth-led non-profit organization which was Founded in 2018 to encourage entrepreneurship through skills and talent growth.

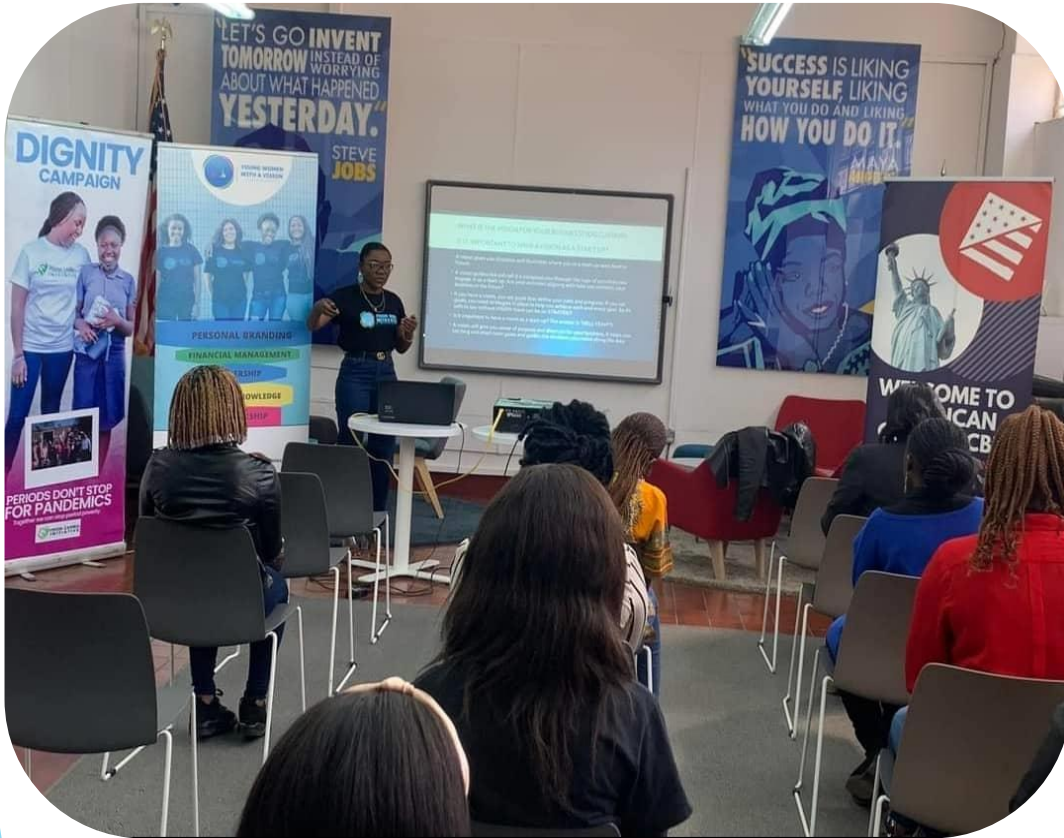

OUR VISION

- ▶ To have a generation of courageous young women who believe in themselves and their capabilities.

OUR MISSION

- ▶ To unite young women, create opportunities and open doors for one another.

OUR OBJECTIVES

- ▶ Our objective is to facilitate the engagement of every young woman in activities that not only foster personal growth but also contribute positively to the global community. By actively involving young women in such pursuits, we aim to mitigate their vulnerability to sexual reproductive health risks.

We concentrate our efforts in five key areas

PERSONAL BRANDING

FINANCIAL MANAGEMENT

LEADERSHIP

MORAL KNOWLEDGE

MENTORSHIP

THE GAME CHANGER SQUAD

- ▶ The Game Changer Squad is a key component of the YWWAV 2024 project, focusing on primary and secondary schools.
- ▶ Its primary objectives include promoting financial literacy, skill development, and talent growth among students through training and mentorship.
- ▶ The program aims to equip graduates with essential life skills for success after school, emphasizing self-sufficiency and job creation.
- ▶ Addressing vulnerabilities such as sexual reproductive health risks like peer pressure and transactional relationships is a key focus.
- ▶ Equipping students with these skills enables them to make informed decisions and resist harmful practices.
- ▶ Ultimately, the initiative seeks to empower young people for success in a competitive world, shaping future leaders and innovators.
